April Meeting
7 April, 11:00 AM

President: Bob Walla proposes two changes to the bylaws. They are posted on the board for review and will be voted on at the next meeting on April 7th.

Tournament Director/Vice President: The key policy will remain unchanged. RO requirements no longer include level 1 training. March 24 is the Winter Classic 9-11 registration. We will once again participate in inter club competition with other local archery clubs this year.

AFC Archery Director: 21 people for the last 101 class. Next weekend will be STAR Fita indoors. March 30th Park qualifications begin. The new fee is \$10 per attempt.

Correspondence/Secretary Report: For those members that have not paid their dues, this will be the last newsletter.

Range Captain: Fred Ansick has presented the 2019 budget. Two new Rhinehart walls are on order. Work party on the 16th finished extending the safety fence. Several targets and stakes were moved to improve safety. We are ordering another set of ASA targets. Cub Run will pay for the acquisition costs while IWLA will cover the purchase cost.

Membership Concerns: Competition team members did well at Indoor Nationals. If IWLA members would like to stay and shoot after Range Officer duty hours are scheduled to end, they are entitled to stay but must lock up when leaving.

Indoor Archery Director: 233 members used the range this month.

3D Director: Ryan will make a judgment call on which 3D targets need replacing for the upcoming Winter Classic.

VBA Representative: Red Bourdage report that VBA wants to reduce from four meetings per year to two.

New Business: Fred would like to put up another plywood safety board by 13. Also a double snow fence on trail up to 15.

Old Business: Thanks to everyone that helped with the swap meet. A special thanks to Steve Johnson for his wonderful job organizing the event. \$830 profit for Cub Run Archers.

-Level One and Two Archery Instructor courses

We are presenting a combined Level 1 – Level 2 USA Archery Instructor Certification Course in Keezletown on 12-13 April. It may be a good opportunity for some VBA members to attend. Archers attending one day may be certified as Level 1 and those attending both days may be certified as Level 2.

The course has been commissioned by Brethren Woods Camp and will be held at their location, 4896 Armentrout Path, Keezletown, VA 22832. Time will be from 9:00 am to 5:30 pm each day. Cost for VBA members will be the cost of the materials: \$35.00 + S&H for Level 1 or \$40.00 + S&H for Level 2 for materials and a share of actual instructor travel costs. Lunch will be provided each day.

There are written tests required for both the Level 1 and Level 2 certifications; however, much of the material will either be familiar or fit with prior knowledge for experienced archers.

Materials must be ordered on 1 April to arrive on time for the course, so advance enrollment is required. At this time there are 8 slots available.

These Instructor certifications are accepted by USA Archery, NFAA and ASA.

Instructors are Jerry Wenzel, NFAA Master Coach and USA Archery Level 4-NTS Coach and Mary Wenzel, NFAA Master Coach and USA Archery Level 3-NTS Coach.

For more information, contact Jerry at coachjerry@reagan.com or call 540-854-0245.

Regards

Jerry
